Glass fibre reinforced polypropylene /  
Polypropylène renforcé à la fibre de verre

TA - available as a chair, armchair and barstool - is the elegant answer to the demand for ergonomics and aesthetics. The design is inspired by the style of the 50s and meets today's zeitgeist in its purist implementation. The seat shell made of glass fibre-reinforced polypropylene is available in black, white, red or yellow. The frame is made of chromed steel or black powder-coated steel. In addition, the frame can be chosen in natural lacquered oak or black stained and lacquered oak.
