The Janina bench system is highly versatile – consisting of a 60 element, 120 element and corner element (70x70cm). The elements can be easily linked together. A freestanding version as well as a wall-mounted version with stretch fabric on the back are available; the backrest is available in a high or low version. The frame is available in Dining table and High table height in various finishes. Janina is part of the fabric collection and is therefore available in numerous colours and fabric variations.
