# HIGH TABLE **KARI**

Kari is both versatile and practical. The side-stackable table has a contemporary design and is available with three or four legs. The powder-coated aluminium frame can be combined with various tabletops and features manually adjustable gliders. The tables can be stacked sideways to save space thanks to the tilting mechanism.

- Versatile: Available as a Dining table or High table for various hospitality areas
- Space-saving, Side-stackable: Thanks to the tilt mechanism, the tables can be nested sideways
- Flexibly configurable: Various Tabletops and adjustable glides enable a customised, stable solution
