

ARMCHAIR SORELIA

The Sorelia lounge set consists of an armchair, a two-seater sofa, and a coffee table with a glass top. The frame is made of powder-coated aluminum in anthracite color. The seat and back cushions feature removable and washable covers made from SUNBRELLA or LISO fabric. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and ensure they are completely dry before putting them away or covering them. Our Liso outdoor fabric, made from solution-dyed acrylic, is colorfast, durable (20,000 abrasion cycles), and weather-resistant. The fabric is water-repellent (1,000 mm water column) and easy to care for thanks to its stain protection.
