Straightforward, simple, and timeless – this modern outdoor lounge system can be effortlessly integrated into a wide variety of environments thanks to its understated design in both form and color. Clear lines, attractive cushions, and a balanced mix of colors and materials ensure a welcoming appearance. The seat and back cushions come with removable and washable covers made of SUNBRELLA or LISO fabric. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and make sure they are completely dry before covering or storing them. Our outdoor fabric Liso, made from solution-dyed acrylic, is colorfast, durable (20,000 Martindale rubs), and weather-resistant. The fabric is water-repellent (1,000 mm water column) and easy to maintain thanks to its stain-resistant finish.
