

ARMCHAIR SONICA

Sonica combines Italian craftsmanship with smart design. The handcrafted cushion with high-quality upholstery foam offers maximum comfort, while the delicate, powder-coated aluminum frame ensures lightness. Thanks to UV-resistant covers – available in either Liso or the immediately available Sunset – Sonica remains flawless even in outdoor settings. Our outdoor fabric Liso, made from solution-dyed acrylic, is colorfast, durable (20,000 Martindale rubs), and weather-resistant. Both fabrics are water-repellent (1,000 mm water column) and easy to care for thanks to stain protection. Cleverly developed by GO IN: modular, flexibly connectable, and ready for stylish outdoor lounges.

- System can be linked without tools
- High seating comfort
- universally applicable
