

ARM CHAIR PENYA

The stackable armchair Penya is designed for tough outdoor use: a powder-coated aluminum frame ensures low weight and high stability. The quick-drying weave does not absorb water, does not become saturated, and is ready for use immediately after rain. A matching seat cushion is included, providing comfortable seating for daily use. UV-resistant, weatherproof materials prevent fading and make the chair usable across seasons. The smooth surfaces are easy and quick to clean – ideal for terraces, beer gardens, or hotel pools. Available in two colors and also as a bar stool matching the same design.

- Quick-drying weave that does not absorb water and is immediately usable after rain
- Lightweight, powder-coated aluminum frame – stable in daily use and stackable to save space
- UV-resistant, weatherproof, and easy to clean in seconds, ideal for permanent outdoor use
