ARMCHAIR PENRA

Our outdoor Armchair Penra impresses with a smooth tubular round frame made of powder-coated aluminium in an elegant wood look, creating the appearance of a warm wooden frame and emphasising the organic design language. The seat and backrest made of flexible plastic weave in a rope look adapt to the body and offer a high level of seating comfort, even for extended periods. The weave is quick-drying, does not absorb water and is extremely easy to maintain. All materials are weatherproof and UV-resistant, and the chair is also stackable, making it ideal for professional use in gastronomy, hotellerie and contract settings. The result is a stylish, relaxed atmosphere with a distinctive Ibiza boho feel.

• Flexible, quick-drying rope weave that adapts to the body and offers a high level of seating comfort.
• Weatherproof, UV-resistant materials and a robust aluminium frame with a wood-effect finish for long-term outdoor use.
• Stackable and easy to handle – ideal for quick rearrangement of seating and space-saving storage in the catering industry.
