

## ARM CHAIR TADEVI

Tadevi is a robust outdoor armchair for gastronomy, hospitality and contract use with a powder-coated, scratch-resistant aluminium frame – easy to maintain, easy to handle and stackable. The teak elements are insensitive, suitable for year-round outdoor use and develop an elegant silver-grey patina over time when left untreated. If the warm, golden brown teak tone is preferred, the wooden parts should be oiled before first use and the treatment repeated regularly. Ergonomically shaped wooden slats in the seat and back ensure high seating comfort even during longer periods of sitting. The gently rounded teak slats appear particularly high-quality, impress with a smooth feel and reflect the trend towards organic, soft shapes.

- Robust outdoor armchair with scratch-resistant, powder-coated aluminium frame
- Weather-resistant, solid teak elements
- Ergonomic, rounded wooden slats for high seating comfort and a modern look
