ARMCHAIR ELIRA

Elira is made of glass fibre-reinforced plastic, is weather-resistant, UV-stable and permanently dimensionally stable. The ergonomically shaped backrest and the generously sized seat offer a high level of seating comfort, even when sitting for longer periods. The modern slatted design ensures a trendy look, good ventilation and allows rainwater to drain away quickly. The robust plastic frame is easy-care and therefore ideal for the terrace, garden, beer garden or pool area. A complete series is available in the same design: Chair, Armchair, Bar stool, Lounge chair and side table – for a consistent, modern furnishing concept.

- Permanently dimensionally stable fibreglass-reinforced plastic frame
- Wide, comfortable seating comfort thanks to an ergonomically shaped backrest
- stackable
