

ARMCHAIR **ELIRA**

Elira is made of glass-fiber reinforced plastic, is weather-resistant, UV-stable and permanently dimensionally stable. The ergonomically shaped backrest and the generous seat surface offer high seating comfort, even when sitting for longer periods. The modern slat design ensures a trendy look, good ventilation and allows rainwater to drain off quickly. The robust plastic frame is easy to maintain and therefore ideal for terraces, gardens, beer gardens or pool areas. A complete series is available in the same design: chair, armchair, bar stool, lounge chair and side table – for a consistent, modern furnishing concept.

- Permanently dimensionally stable fibreglass-reinforced plastic frame
- Wide, comfortable seating comfort thanks to an ergonomically shaped backrest
- stackable
