COFFEE TABLE ELIRA T

Elira – the matching Coffee table for the series – is made of fibreglass-reinforced plastic and is therefore weather-resistant, UV-stable and permanently dimensionally stable. The modern slatted design reflects the look of the Seating furniture, appears pleasantly lightweight, is well ventilated and allows rainwater to drain away quickly. The robust construction is easy to maintain and ideal for the terrace, garden, beer garden or poolside area. Perfect as a harmonious addition to a consistent, modern outdoor concept – the complete series is available in the same design: Chair, Armchair, Bar stool, Lounge chair and Coffee table.

- Dimensionally stable plastic frame
- Ideal side table for ELIRA
- stackable
