2-SEATER LOUNGE ZAKI

The outdoor series Zaki includes an Armchair, a Lounge chair and a 2-seater lounge with a powder-coated aluminium frame. All models are stackable, easy to handle and therefore ideal for contract settings with frequent layout changes and limited storage space. Seats made of textilene and backrests made of rope weave are quick-drying and do not absorb water – perfect for continuous outdoor use. The materials are easy-care, UV-resistant and weatherproof, keeping maintenance requirements to a minimum. This makes the series particularly suitable for hospitality, hotel environments and high-traffic contract areas.

- lightweight and stackable
- Quick-drying seat and back
- lightweight aluminum frame
- UV-resistant and weatherproof
