The foldable bench Valentin is a classic beer garden bench with a seat made of elegant teak wood and a sturdy steel frame. The black coating with silver nuances creates a wrought-iron effect and makes the frame a visual highlight. Thanks to the optimized seat-to-back angle and the ergonomically shaped seat surface, Valentin offers extremely comfortable seating even without cushions. The bench is available in various lengths and optionally with or without armrests. Practical to handle: Valentin can be folded up quickly, stored in a space-saving manner and, thanks to the easy-care materials, is ideally suited for regular use.
