ARMCHAIR PENTRA

The Pentra chair with armrests is designed for intensive outdoor use. The powder-coated aluminium frame is robust, scratch-resistant and remains dimensionally stable even with high frequency use. It is stackable, making it space-saving to store and easy to move quickly. The Textilene outdoor covering is breathable, easy to care for, durable and weather-resistant, does not absorb water and dries very quickly. This means the chair can be used again immediately after rain and can be cleaned in just a few steps. The timeless, straightforward design fits many interior styles – from modern to classic.

- powder-coated, robust and easy-care aluminium frame
- quick-drying, flexible and easy-care Textilene fabric, UV-resistant, weatherproof
- stackable for easy handling
