Kratzresistent, pflegeleicht & langlebig /
Scratch-resistant, easy to clean, and durable /
Résistant aux rayures, facile d'entretien et durable

The bar stool combines comfortable seating with robust quality and a timeless, modern look. The padded seat shell made of high-quality faux leather offers exceptional durability with 100,000 abrasion cycles, making it ideally suited for intensive use. The slightly raised, wraparound shape of the seat shell ensures a particularly pleasant seating experience. It provides subtle support for the body and creates a comfortable, secure feeling – even when sitting for extended periods. The matt black, powder-coated steel frame is scratch-resistant, durable and particularly easy to maintain. The bar stool thus combines excellent seating comfort, durability and modern design in a long-lasting solution.

• High seating comfort: The seat shell, which is slightly raised all around, provides secure support and ensures a pleasantly comfortable seating experience.
• Extremely durable: 100.000 abrasion cycles make the faux leather cover ideal for daily, intensive foodservice use.
• Low maintenance & durable: The scratch-resistant, black powder-coated steel frame is quick to clean and remains appealing for a long time
